"The Mark of Excellence"

SCHOOL VISION:

At Wymark School… Children reach their goals through shared responsibility with the home, school, community and the individual student.

We…

*Promote a learning environment that is caring, safe and respectful for all persons.

*Respect all individuals by recognizing the needs of students in many ways: academically, socially, physically, emotionally and spiritually.

*Create an "educational community" by encouraging lifelong learning in students, staff, parents and community.

ARRIVAL TIMES:
We ask that students arrive between **8:30am** and **8:40am** so that we do not have congested entries and unsupervised areas before school starts. Outside supervision will begin at 8:40am.

AFTER SCHOOL: Students are to go straight home after being dismissed from school.

PARENT DROP OFF & PICK UP: The drop off and pick up location will be at the front entrance only. Students are to wait in the entrance until their parent/guardian arrives. Students are required to check in with Mrs. Adams before you go to class or leave the school.

Also, it is important to remember to send notes (or write in their agenda) with students if there will be any changes to their regular routine of going home on the bus after school. Remember to let your bus driver know as well. Also, with all the fun of after school sports practices we need to remind parents that younger siblings must go home on the bus as there is no supervision for them at the school.
