### PRINCIPAL'S MESSAGE

I hope that the fall weather is now here to stay for awhile!

Our soccer tournaments were finally able to be completed and were so much fun to watch! Thanks to all of our fans for coming out to encourage both of our teams. Halloween is right

around the corner. The students can come to school in their costume for the entire day. We will be celebrating with some spooky activities in the afternoon. If you want to send goodies to be handed out to the other students, we will do that during the afternoon. We

would also like to thank the Credit Union for giving us free pizza that day for lunch!

# Soccer

We were finally able to get our soccer tournaments completed, despite weather conditions.

We travelled to Gull Lake on October 10 to play and on

October 11, Gull Lake visited here to play another round of games.

Everyone played hard and survived the cooler weather.

Thanks you to Gull Lake

School for hosting and to everyone who came out to watch the Tompkins Tournament and helped in any way.
