

Val Marie School Newsletter

Thank you to our amazing staff, students and parents for a wonderful school year. Graduation is a happy memory and the year is winding up quickly with exams and field trips. It is exciting to know that summer is upon us and that the new school year will bring new exciting learning opportunities for us all. Thank you to all of you for supporting Val Marie School and making it a great place to learn!

School begins for students on September 1st. See you next fall!

*Start by doing what's necessary;
then do what's possible; and suddenly you are doing
the impossible.*

Francis of Assisi

Mikayla Andree - July 11

Report Cards can be
picked up on
Tuesday, June
30th between
10:00-11:00 a.m.

Thank You to
Mrs. Glas and
Mrs. Jordan's
class for planting the
flowers and making
our school grounds
beautiful!

Milk Cards

Thank you to those
parents who have paid
up milk cards. We appreciate
your prompt payment as it
helps us keep our books up to
date as well.

Milk card balances are always
carried forward to next year.

Mrs. Glas

**Movies will no longer be shown
until further notice due to
poor attendance.**

A FRESH START TO SCHOOL!

I'm saying good bye to grade 5 and hello to grade 6!! I will miss Mrs. Legault but I will going to my mom's room. I will NOT miss recess but I will like the breaks that you have in grade 6. In grade 6 you get HOMEWORK every day which I don't like as much. I can't wait for the next grade. I will have Ms. Mariyathas for MATH then my mom for, Science, Health, and D.E.A.R. I will have Mrs. Clement as my Art and Social teacher. I think grade 6 is going to be harder than grade 5. I think it is going to be hard because you have to do so many questions in Math like 14 or more. On the first day of school you get Math HOMEWORK. I don't think it's fair. In grade 5 you don't. I think I will have lots of friends in grade 6. There will be more people so you can play the games that need more people like Kick Ball. So I can't wait for GRADE 6!!!!!!

Awesome Field Trip

We are going on a field trip to an awesome place called Wood Mountain on June 24-June 25. We are staying overnight in tents. It will be so fun! We might go swimming if the weather is nice. We will take the spare bus. My Dad is also coming for the whole field trip. Everyone has to bring two rocks the size as their fist and palm for the program at the Rodeo Ranch Museum. We are also going to the East Block of the Grasslands National Park for a program.

Cookie's Fun Club

Every Monday we have Cookie's Fun Club [art club] and on Thursday, June 11 after Dad's Day we had an art party. The arts and crafts we did before the party were planes, teepees, Santa's stand, a wooden house, banner, monster book, fish, a Japanese kite fish, and a shirt. On June 22 we will have an art show in the lunch room and everyone is welcome. The activities we did at the party were the bucket race, dig the worms, and balloon pop. The people in art club are me [Daniel], Drayton, Pierce, Jackson, Katherine, Rayna, Ashlee, Joanna and we love it. Please come to the art show. It will start at about 3:00pm and we will show off all our crafts.

DAD'S FUN DAY AT SCHOOL

Our class had our dads come to school in the morning on the 11th of June. Nick, Lance, Dan, Rick, and Wayne all took a morning to spend with us. We did some fun activities like mind reader, jeopardy with the vocabulary words, math games, and colouring instructions. I think that the dads enjoyed the morning with us especially playing laser tag in the gym. I really enjoyed the potluck lunch. I would like to thank all parents for preparing the delicious food. Thanks to Mrs. Legault for making the delicious dessert.

"Yo Teach" Presentation

Our social presentation was about government, political parties and making laws. In the presentation we learned about rules in other countries. The part I liked the most was when we made our own rules. We found our houses on the RM map and we found the PFRA and got candy. The person who did the presentation was called Jacque and if you forgot her name you could call her "Yo Teach". She's like my mom because she doesn't like snakes either. If the government makes a rule it gets judged by 58 people. We got to do a ballot and an election also. We also went to the RM office. Cathy and Jodie taught us about Municipal government.

Track and Field

On June 12 we went to Shaunavon for track. I was in long jump, triple jump, 200m and 400m race. I got 1st in the 400m race and Katherine got second in the 400m. Mom, Kim, and Mrs. Coupe drove. Thanks for driving. They had THE BEST donuts! It was the first year for Katherine, Daniel and I. It was lots of fun. It was too hot for some people. I got heat stroke. All of my class can't wait for next year. At the end we went to the Frosty Treat. It was epic!!!!!!!!!!!!
