## Grant Deadline for Youth-led Projects Approaching

Does your organization or group engage with youth? Do you want to make a difference in your community?

The South Saskatchewan Community Foundation is offering grants of up to \$15,000 to six youth-led projects in small to mid-sized communities (Davidson west to the Alberta border, east to the Manitoba border, and south to the United States border) that address diverse and urgent local priorities.

Deadline for applications is September 18, 2019.

The RBC Future Launch Community Challenge will allow youth to lead, learn new skills, gain experience, and build relationships and make a difference in their local communities – all things that will help them prepare for the future of work. SSCF will also bring youth and community members together for ‘Vital Conversations,’ for a dialogue about the future of their community.

The RBC Future Launch Community Challenge is made possible thanks to support from the RBC Foundation, and is part of RBC Future Launch, a commitment to empower Canadian youth for the jobs of tomorrow.
