

Curling

The Cabri Cougar mixed curling team consists of Skip - Tyler Labarowski, 3rd - Kaylee Duncan, 2nd - Cole Hartman, and Leads Nicole Coburn and Carla Dayton. This team has been practicing in Abbey every Tuesday with coach Ron Brawn. We would like to thank Ron for his time and commitment with this team. All of the players also curl in various leagues in Abbey as well.

On Jan 31st they went undefeated at Section play downs in Abbey to advance to Districts in Fox Valley on Feb 6 & 7. Here they took a hard loss to Maple Creek in their first game dropping them to the B side. They fought their way back the next day to face Maple Creek in AGAIN in the B final where they came out on top to advance to Regional play downs in Regina on Feb 27/28. I would like to thank this team for their passion and commitment to curling. They are an incredibly fun group and it is a pleasure to travel with them and watch them curl and improve their skills as they go. As well, I would like to thank their parents for supporting them in this sport and for driving us to all of our playoffs. (We also enjoy sampling the pie and burgers at each rink we get to travel to!). Good luck at Regionals Cougars!!

Mrs. Wicks

Badminton

Senior Badminton practices will start on Tuesday, February 24th for all interested students in grades 10-12. Practices will be Tuesdays from 5-6:30 and Thursdays from 7-8:30. We hope that players will make it to at least one practice a week.

A reminder for everyone that all doubles players must wear protective eye wear. We have eye wear at school and players are welcome to bring their own. This year, SWAC has ruled that senior singles players do not need to wear eyewear.

We will be going to a tournament in Leader on Saturday, March 21st. Sectional playoffs will be held in Maple Creek on April 16th or 18th (depending on the number of players involved - we'll keep you posted as soon as we know). Parents will be contacted to help transport players when we get closer to the date. We appreciate your help! Anyone who advances from sectionals will go to Districts on April 25th in Swift Current. Regionals are May 2nd in Regina and Provincials are May 9th in Moose Jaw.

Debbie Thomas and Kayla Marlin

Cabri School Community Council

would like to thank
Innovation Credit Union
for sponsoring
the March Hot Lunch!

Cabri School Celebration of the Arts

Wednesday, April 22nd at 7:00 pm

We hope to see everyone out to support our talented students!

We encourage all students to get involved! You may participate in this evening in a variety of ways:

- Put together an act demonstrating a talent (eg. singing, dancing, playing an instrument, acting)
- Put together an air band/lip synching act
- Create a piece of visual art (painting, drawing, sculpture etc.) and give it to Ms. Cooper or Mrs. Thomas for it to be displayed in the gym on April 22nd
- Be part of the school drama productions (students had to join at the start of semester 2 and rehearsals are well underway). There will be two short drama presentations on April 22nd

We ask all students who are planning to put together a talent or air band act to complete the form that was sent home in early February, have their parents sign it and return it to their home room teacher by Monday, March 2nd. Participants must have this form signed by a parent in order to participate in the show. If you need another copy, you can find the form on the website.

If you have any questions about completing this information, please check with Mrs. Thomas or Miss Cooper. We look forward to an exciting celebration of the arts!

SRC

February has been a month jam-packed with SRC activities in Cabri School. At the beginning of the month, the SRC sold candygrams in support of Telemiracle. Each bag cost \$2.00 but if a person wished to remain anonymous, it cost \$3.00. Also in support of Telemiracle, Cabri School has been having hat days on the 10th, 12th, 23rd, and 25th, costing \$2.00 to wear a hat. The SRC has introduced an exciting activity this year, also in support of Telemiracle, Minute-to-Win-It Games. The students who went to the Saskatchewan Student Leadership Conference in September, Justine Garrett, Payton Grodaes, and Emily Arnelien (myself) played some of these games and thought they would be fun to bring back to Cabri School fundraiser. For a cost of \$5.00 towards Telemiracle, High school students played the Minute-to-Win-It games on February 10th and Elementary students played the games on February 13th. Also in February, on the 12th, were a Pizza Hut pizza sale and a Valentine's dress-up day. Students wore Valentine's colours, Valentine's themed costumes, and dressed as famous couples. The SRC is looking forwards to another fantastic month in March.

Minute to Win It Activities
