Kindergarten, Grade 1 News - by Leanne Diehl

The students have been actively learning about agriculture and its importance in Saskatchewan. The grade one students travelled to Swift Current to "Discover the Farm" on April 11. This event, sponsored and held by the Swift Current Ag and Ex, featured many hands-on exhibits, live animals, and even a calving simulation! The students came back with informative goodie bags and even some treats (many enjoyed the bread and fresh honey). Thank you to the parents who volunteered to drive for this trip.

For just over a week now the K,1 class has been carefully watching over 24 eggs in our classroom incubator. Our 7 chicken eggs (of different varieties) are expected to hatch around May 19th and the 17 button quail eggs will hatch roughly a week before that. The students are very excited to have living things growing and developing in our classroom! They are happy to show visitors the eggs and will be extra eager to 'show and tell' once the chicks have hatched! We will be having a birthday party to celebrate our new arrivals in the new future!

SRC REPORT by Fred Entz

As usual, Cabri School has been a busy place over the last month! There was a pizza sale on May 15th, and a Letter "P" Dress-up Day (where students can dress up like anything starting with the letter "P") on May 22nd. As well, the SRC organized fundraising for the Gutsy Walk with a Tug-Of-War for the high school students and games for the elementary students. Thank you to everyone who supported this cause.

On June 4th we will have elections for next year's SRC and results will be announced that night at Awards Night. Have a wonderful spring everyone! See you next month!

BADMINTON by Karen Smith

The Junior Badminton Players had a successful season. We hosted a mini tournament with Hazlet after school one day and had a lot of spectators. Thanks to all of the parents that helped out in the kitchen with the food and for supporting the players throughout the season. Unfortunately no one advanced from Sectionals in Leader to compete at the District level in Swift Current. The following students played in the following categories:

- Boys Singles – **Justin Bos, Mitchell Braaten, Dallyn Jamieson, Brendan Russell, Jordan Wagner**
- Girls Singles - **Danni Jamieson, Cassandra Rayner,**
- Girls Doubles – **Shayla Duncan & Carla Dayton, Kyra Braaten & Cassidy Kennedy**
- Boys Doubles - **Gavin Garrett & Mavryck Moffat**

TRACK & FIELD - By Abby Watson & Alisa Cooper

The season is moving full speed ahead at Cabri School. We are grateful for the fact that the snow is all gone and that we have had some days without rain as this already improves our practice potential from last season!! Athletes have been working very hard at getting back in condition and preparing for meets. We have received invites to some additional meets this year, providing athletes with the opportunity to compete before the Sectional Track Meet. Three athletes - **Kyra Braaten, Cassidy Kennedy, and Alayna McDonald** competed in the Weyburn Invitational Meet on May 10th and did very well. A small group participated in the Swift Current Twilight Meet on May 14, and then we are into SWAC and SHSAA competition. Sectional Track was held on May 21 and those that advance from Sectionals will compete at Districts on May 28, at the SCCHS. Finally, SHSAA Provincial Track and Field will be hosted in Moose Jaw on June 6 and 7. We wish all our athletes the best of luck in the upcoming track and field season! We will report on results in next month's news.
