November 10	No School PLC Day
November 11	No School—Remembrance Day
November 20	Report Cards Out
November 25	Student Led Conferences
November 26	Student Led Conferences

Principal's Message

Thank you to all the students, staff and parents who have worked hard to ensure we had a smooth start to the new year. We've had a great first month!

Every month at our student assembly we celebrate great things that students do to help each other and staff throughout the building. When a student is "caught" doing something kind for someone else, they get a "Gotcha" card and at our monthly assembly, everyone who received a Gotcha that month comes to the front of the gym to be recognized (and a draw is made for one lucky winner to receive a free pizza courtesy of the SRC). This month we had a record number of Gotcha winners at the front of the gym! It was so great to see how many students are going out of their way to be kind to others!

As I write this on October 7th, Education Week is coming up (October 20th-23rd) and our Amazing Race event and Back to School Family Night have not happened yet. But by the time you read this I know they will have been two positive experiences for our students and their families. Thank you to the SCC for all the hard work in organizing the Amazing Race and thank you to staff and the SCC for your contribution to Family Night. We appreciate all your hard work! And thank you to all the families who came out to Family Night!! We value your support! During Education Week we also celebrated the 10th Anniversary of the new Cabri School building. We created banners on 10 things that make our school great, we read 10 picture books in our house buddy groups, we did 10, 20 & 30 minutes of activity in the gym and we started our dime drive, with all proceeds being given to our track fund. Celebrations will be going on throughout the year and if you have any ideas you would like to share, please let us know.

Thank you to everyone for your support of our two school wide fundraisers: QSP and the football tickets! The funds raised are very important to our school. Just a reminder that football tickets and money need to be back to school by October 31st so we can return them to Football Saskatchewan for the draw.

Our school service of Remembrance will be on Friday, November 7th and families and community members are invited to attend as our students remember the sacrifice veterans have made for our country. Finally, a reminder that our two school ski trips this year are coming up on February 15-18th (to Fernie, grades 10-12) and February 26th (to Elkwater, grades 1-9). We know that these ski trips are important opportunities for our students and we hope that students who participate develop the lifelong skill of skiing or snowboarding. If you have any questions, please let us know.

I look forward to seeing everyone at student led conferences on November 25th & 26th!

Debbie Thomas, Principal

Kindergarten Days September/October

October—2,7,9,14,16,21,23,28,31

November—4,6,13,18,20,25,27

Kindergarten & Grade 1 Corner

The Kindergarten and Grade 1 class is getting ready for Thanksgiving. When asked the question "What are you thankful for?" they responded... cats, Mom and Dad, Grandma and Grandpa, brothers, sisters, aunts, uncles, cousins, pets, Skylanders ('It's a video game!'), and peace. The students have already decorated our classroom for Halloween; they did a great job making our room look very festive! Happy Thanksgiving from the K,1 class!

Distance Learning/Cyber School

Parents, please check the Chinook Cyber School website under the About menu and FAQ section for information that will help your student with his/her online courses. Check back regularly for course information and school updates. Like us on Facebook (Chinook Cyber School)

Cabri School Yearbook

If you are interested in purchasing a yearbook from Cabri School please give us a call, the cost is \$25.00. Feeling Nostalgic? We have extra yearbooks available for sale from years past dating as far back as 1978! Please call Lori at the school if you are interested.

SRC Report

The Cabri School SRC is hoping to make October a very exciting month. The school has been collecting food for the Farm Credit Canada food drive. The student body is divided into "houses" consisting of the Clubs, Hearts, Spades, and Diamonds so we've been collecting house points for every item of food donated. By doing this, we're able to engage in a bit of a friendly competition while taking part in a very important cause.

More events in October include the Volleyball Intramurals that have been underway for the past week or so. The houses have been competing against each other during noon hour to gain house points while doing something fun. Also, the Pizza Hut pizza sale day will be October 16th. There will also be a Halloween dress-up day on October 31st. The whole school is abuzz with the excitement of planning Halloween costumes.

The SRC is excited to be doing these activities for our second month back at school. We can't wait to start planning events for November.
