Kindergarten/ Grade 1 News

I am pleased to report that we have a lot of little people learning, working, and playing in our classroom again this year! We have 21 students in our class (11 kindergarten students and 10 grade one students). We are continuing the important tradition of counting down to the 100th day of school! Our countdown lends itself to a variety of daily math activities in which the students actively participate. Our very first math unit is underway: we are learning all about patterns. In language arts, the students have been learning that there are three ways to read a book: by reading the pictures, retelling a story they have already read, and reading the words! The children are enjoying using one or more of these 'ways' to read stories to each other at school. Our year is off to a great start!

Thank-you to the **Innovation Credit Union** for providing muffins and juice for all of the students on the first day of school. They were very much appreciated!!!

JUNIOR GIRLS VOLLEYBALL

Our Junior Girls volleyball team has started practice for the upcoming season! This year's team is comprised of a range of ages from eager grades 5-6 girls right up to a few grade 9 veterans. Last year's team was made up of many grade 9 students, and I wish them all the best in their season with the Senior Girls team this year. Our first tournament is our home tournament on Sept.20th, which we will be co-hosting with the Junior Boys team. Thank you to our Grade 10 volunteers: Payton Grodaes, Cassidy Kennedy and Kyra Braaten, for their expertise and commitment to help at our practices. I am looking forward to coaching our enthusiastic Junior Girls team! Please come out and show your support for the Cabri Cougars Junior Girls and Junior Boys on Sept. 20th!

Our schedule follows:

Sept. 20 – Home tournament!
Sept. 27 – Tournament at Fox Valley
Oct. 4 – Tournament at Ponteix
Oct. 18 – Tournament at Leader
Nov.1 – Hazlet (Playoffs)
