

Senior Girls Volleyball

Our Senior Girls Volleyball team is made up of 14 players. They are coached by Kayla Marlin and Abby Watson. We have practices twice a week and tournaments most weekends. We held our home tournament on September 6, 2014. The girls had a good showing for their first tournament of the year (after only 2 practices as a team) and placed 3rd.

At the start of our first practice the girls set some goals for themselves. They want to be in the top 3 at every tournament and they would like to be the loudest and most positive team at each tournament. Our motto is **T.E.A.M . Together Everyone Achieves More**. As the team strives to live by their motto, we encourage you to come out and cheer on our team to help us with goal #2!

Upon completion of our home tournament and on behalf of our whole team, I would like to thank the SCC and parents for the fantastic booth. We would also like to thank all of the students who came to help us out with linesing and scorekeeping. Also, thanks to our players for sticking it out, even when we lost out of the final match, to help with clean up. We appreciate all of your enthusiasm and dedication to our team. We could not have pulled off our successful tournament without you all.

Abby Watson and Kayla Marlin

Student Representative Council (SRC)

The back-to-school season is upon us. This has very different meanings for everybody; not always positive ones. The Cabri School Student Representative Council hopes that we were able to kick-start this new school year on a positive note, providing a free pancake and ham lunch to students and staff on Wednesday, September 3rd. We appreciated the positive feedback we received.

The 2014-2015 SRC is comprised of: Justine Garrett as Prime Minister, Payton Grodaes as Deputy Prime Minister, Kaylee Duncan as Parliamentary Secretary, Cassidy Kennedy & Cade Hartman as Advertising Managers, Cassandra Braaten as Purchasing Officer, Kyra Braaten as Minister of Sports & Recreation, Alex Shelton as the grade seven Class Rep., Cassandra Rayner as the grade eight Class Rep., Dallyn Jamieson as the grade nine Class Rep., Jessica Hammel as the grade eleven Class Rep., and I (Emily Arnelien) as the Communications Manager.

The SRC looking forward to the year ahead and we are excited to see what it brings.

Motorists:

Please be mindful while driving in the school parking lot areas, particularly after school. Our young students may be making their way home when you come to pick up your children.

Please help keep our kids safe by
SLOWING DOWN.

Thank You!!

Cabri School and Cabri School Community Council would like to thank Enerplus for the generous donation of \$5000.00 that will go towards the completion of the next phase of our new track (construction of the 100m runway) . Once again, we thank you for your support!

Bottle Recycling

The students at Cabri School are busy sorting and bagging the bottles at the school from our vending machine (proceeds go to the Track Project). If there is anyone that would be willing to take some sorted bags to Sarcan when they are going to Swift Current, it would really help us out. Please call the school if you are able to help.

QSP Fundraiser

Each year Cabri School takes part in a magazine subscription program to raise funds for our school. These funds are used to help with transportation costs for students to attend career fairs, the Elkwater and Fernie Ski Trips, and to provide arts and cultural events at the school.

This year's campaign will kick off on Thursday September 25th.

You can order or renew your magazines from a student (paper forms) or you can place your order online at QSP.ca.

Subscription orders that are placed online will arrive sooner.

If you would like Cabri School to receive credit for your subscription order please enter the group online code number _3732799_.

This year there is also a digital section, so you can read your magazines on the go! There is also a new section for customized photo products (photo keepsakes, books, cards, posters calendars chore charts and more).

We would like to thank the parents, grandparents, relatives and community members (former and present) from Cabri, Penant, Abbey, Lancer and Portreeve who have continued to support this important fundraiser over the years.

Ski Trips

Cabri School's Annual Fernie Ski Trip (for grades 10-12) is scheduled to take place from February 15th to 18th.

Community members that are interested in taking part are invited to call the school for more information. Mrs. Wicks, Mrs. Thomas or Ms. Kiel will be able to provide more information.

The annual Elkwater ski trip for grades 1-9 will be taking place on Thursday, February 26th. Kindergarten students wishing to take part in this trip must be accompanied by a parent or guardian. Hidden Valley's school programs do not include Kindergarten students as they cannot guarantee the availability of instructors (students younger than grade 1 are not allowed to participate in the group lessons). Private lessons may be available for these students if there are sufficient instructors.
