Thank you for supporting our food sales. Proceeds from our meals go towards team expenses and/or school projects.

Meals are always optional and there are no pre-orders needed, you simply bring your money the day of the sale. Muffins and cinnamon buns are sold in the morning as soon as students arrive to school and act as a 'breakfast' meal!

As we have pizza lunches frequently, we offer pizza punch cards as an option for those that find that easier, you can still just send money the day of too! They are available to purchase at the office. \$15 for 5 slice cards or \$30.00 for 10 slice cards.
