O.M Irwin Athletic Legacy Project for the North Playground Expansion

Dear Parents and Guardians:

We have been very fortunate at O.M. Irwin to have our school's athletic teams and clubs supported through the **O.M. Irwin School Legacy Project**. In 2019 and 2021, the O.M. Irwin School Legacy Project allowed the school to raise money to purchase stadium chairs for players, a scorer's table, a new scoreboard, and mats for the gymnasium. These enhancements to our gym would not have been possible without the generous support from our school community.

O.M. Irwin School is revisiting the Legacy Project to fundraise for the expansion of the north playground. In 2019, the SCC and school collaborated to install new climbing structures for Grade 4 and 5 students in the north playground (See pictures below).

The school and SCC are collaborating once again to expand the north playground by adding swings, a covered gazebo with seating, and a soft rubber play top surface for the swings and current climbing structure. Please see pages 3 and 4 of this letter with pictures of expansion plan for the north playground. The projected cost for the north playground expansion based on the quotes we have received is approx. \$58818.44 including labour and materials. The cost breakdown for the project is:

- **Swings from Blu Imp - \$8218.44;**
- **12x12 Wood Gazebo w/seating on a concrete pad - \$9100.00;**
- **147.53 square meters of rubber play top surface for the swings and climbing structure from Shercom - \$41,500.00**

The school and SCC have raised approximately \$15000.00 through various school such as meal days, the beef jerky and popcorn sales, and Growing Smiles plants fundraisers.

The goal of the 2023 O.M. Irwin School Legacy Project is to raise approx. \$43000.00 to expand the north playground. We are seeking financial support for this year’s legacy project in the form of donations from parents, alumni, community groups and/or businesses. Each donor will be acknowledged with their name(s), child’s name, and/or business prominently displayed on dedicated **Donor Wall** inside the gazebo. Additionally, each donor will receive a charitable receipt from the Chinook School Division.

If you are interested in donating to the 2023 O.M. Irwin School Legacy Project to raise money for the north playground expansion, there are opportunities to be a Platinum (\$1000.00), Gold (\$500.00), Silver (\$250), or Bronze (\$100) level sponsor. You can also donate another amount if you prefer. Please complete the form below and return it to the school if you are interested.

If have any additional questions, please contact Mr. Kohlman or Mrs. Tsougrianis. Thank you for supporting O.M. Irwin School!
