It isn't too early to start planning for next year...students will once again be invited to a registration evening as our first orientation trip will be the third week of September before our big fall trip to the Adam's River salmon run in BC.

SCC Student of the Month

The School Community Council has developed an initiative aimed at motivating and increasing connections with students. The Student of the Month will be given out to one student in grades 9, 10, 11 and 12. Students are nominated by their teachers to the SCC, and from those nominated students a random selection process is used by the SCC to determine the recipient of the award. Each month a different department in the school will be nominating students. This month it was Science. Each Student of the Month will receive a \$10 coupon from the SCCHS Cafeteria, sponsored by the SCC.

Grade 9 Nominated Students- Ben Schuetz, Chris Israelson, Parth Shah **Grade 9 Student of the Month- Ben Schuetz**
