**Our Commitment to be Green**

We have committed to be environmentally conscious in all areas of our business. Our yarns are made in an eco-friendly environment and are free from harmful substances. We are also in the process of phasing out all plastic bottles and have moved to 100% cardboard bags for 2019.

**Yarn Blend Extension**

We blend our own 40/40 merino wool fiber of our top stuff to provide extra durability and comfort. This also allows for our socks to stay as long as possible.

**High Needle Count**

Our advanced single-needle count knitting machines to make socks. Our advanced single-needle count knitting machines to make socks. High needle count also results in a stronger and finer premium quality sock.

**OEKO-TEX® Egyptian Combed Cotton**

The OEKO-TEX® being OEKO-TEX® is a worldwide consistent, independent testing and certification system for raw, semi-finished, and finished textile products at all processing levels, as well as accessory materials used.

**No-Feel Toe Seam**

The SOFT-WEAVE™ being SOFT-WEAVE™ makes our socks feel like you aren't wearing anything at all. This means you won't be feeling anything at all. We think this is a bit of a game changer.

**Reinforced Heel and Toe**

Our socks have heels and toes with cotton wrapped polyester yarn so that you still feel the softness of cotton, while getting the strength of polyester.
