INTRAMURAL PROGRAM

-

SCHOOL ACTIVITIES

- The start of Semester 2 is a very important time for students, in particular, for students in Grades 10 through 12. If students have any questions about what is right for them regarding graduation requirements, math pathways, science pathways, career admissions requirements, dropping courses, or adding courses, this is the time to ask. All too often students in Grade 12, if they have made timetabling mistakes, are left scrambling, or even having to let some career interests go, just because they did not take the right courses. It is in everyone's best interest to have more people involved so informed decisions are made in the best interest of the students.

Grade 12 students will be receiving their midterm career checklists as a reminder of certain things they need or may have to consider doing. Grade 12s heading off to school in the fall will be receiving a post-secondary checklist of the things they must do.

Grade 11 students have received their Grade 11 career presentation and now will be receiving one-to-one career counselling services to prepare for their transition.

- Yearbooks will be on sale today at noon in the Computer Lab. You can also get one by seeing Mrs. Fritz or Mr. Sebastian. The cost is \$50.
- Next Driver Education class is next Tuesday, February 9, during period 3 and the noon hour in the Computer Lab.
- The School Community Council is offering a Taco Pouch Hot Lunch to students and staff on Wednesday, February 10. A taco pouch, cupcake and iced tea can be purchased for \$6.00. Order forms are available at the office. Orders with money need to be turned in to the office by this Friday, February 5.
