## PRINCIPAL'S MESSAGE

Happy New Year!

We are back in the swing of things after a relaxing break.

A big thank you to everyone for a wonderful Christmas Concert. I am so proud of the children and all of their hard work.

Report Cards will be coming out at the end of the month. With the new format, there will not be any interviews following the report card. If you have any questions or concerns, feel free to contact the school to request a meeting.

The weather has certainly been cooperating and it does not seem like January in Saskatchewan. I am definitely enjoying supervision this year!

Mrs. Stenson

- Fridays in Jan. & Feb. - School Skating in the afternoon

## E-cigarettes and Vaping

A growing concern among educators and parents is the use of electronic cigarettes and vaping products by youth. We want to remind everyone that the use of tobacco, e-cigarettes and vaping in any form by students, employees or other people is not allowed on our school grounds or in our buildings. Students caught smoking, using or in possession of the prohibited products in or near the school will be disciplined according to policy.

E-cigarettes and vaping can be harmful to the user and to people exposed to the second hand e-cigarette smoke. Like regular cigarettes, e-cigarettes with nicotine are linked to a many harmful effects on children and youth—from addiction to disruptive effects on the developing brain. Please read the Canadian Paediatric Society's recommendations on protecting children and youth from the dangers of e-cigarettes:
