Tompkins School Vision

At Tompkins School, we believe that the students can... do **ANYTHING**, be **ANYONE** and strive for **SUCCESS** in everything they do...with staff, parents and community there to support them along their journey through life.

"I can..."

PRINCIPAL'S MESSAGE

Wow!! It is hard to believe that we are halfway through May. The calendar has filled up for May and June and I am sure it will go by quickly. We will be busy with track and field, year end preparations, swimming and so much more. The

students are looking forward to all of these fun activities, including our annual sleepover for the Grade 3-5 class after the Year End Celebration. Details for all of the activities will be coming home soon so please make sure to check their

agendas and your email often so that things aren't missed. Please make sure to remove the papers from the agenda each time so that their front pockets are not crowded with old papers. Enjoy the beautiful weather!
