

Chinook Alternative Middle Plus School (CAMPS) Fundraising Golf Tournament

Calling All Golfers:

It's back! The CAMPS school Fundraising Golf Tournament on June 6, 2015 at the Saskatchewan Landing Golf Course. We so enjoyed having you at our tournament and hope that you will return for another great day of golf and fun!

The CAMPS school is an integrated alternative education setting located in Swift Current that was created for children who have difficulty succeeding in a regular school environment due to emotional, social and/or behavioural challenges. The program was initiated in 1997 and combines the services of justice, health, social services and education. The goal of the school is to provide children with the necessary skill sets that will enable them to successfully "transition" into a regular school setting or job.

It is our hope to:

- Raise awareness of at risk children within our communities.
- Provide financial support for field trips/outings

At this time we would like to invite you and your friends to participate in the CAMPS Charity Golf Tournament. The tournament will follow a Texas Scramble Format.
