To Whom It May Concern:

RE: Scholarship Opportunities

Crescent Point Energy - SW SK Operations would like to offer our Annual Bursary for post-secondary studies in an oilfield related sector.

There will be 1 - \$1,500 scholarships available within the Chinook School Division. Payment of the scholarship/ bursary would be paid in January of the following year, after confirmation of the successful completion of their first semester.

A one page essay will need to be submitted for our donations committee to select the recipient.

Qualifications and Selection Process:

- Name and contact information.
- High School currently enrolled in within the South West corner of the Chinook School Division.
- Name of qualified College or University you have been accepted at.
- Enrolled in an oilfield-related sector (geology, engineering, environmental, production accounting, trades, etc.).

One page essay should include the following:

- Anticipated field of study.
- What your future plans are upon completion of your diploma/degree within the oilfield industry
- Why you believe you should be the recipient of this bursary.

We ask that you forward this letter to the Guidance/Career Counsellors in your Division to ensure all students are aware of this Scholarship.

Essays/ Applications must be submitted either hand delivery or Canada Post prior to May 31, 2020 to:

Crescent Point Energy - Attn: Tanis Fahselt
220 – 330 Central Ave. N
Swift Current, SK S9H 0L4

For further information, please contact Dustin Carleton (306)770.2210 or Tanis Fahselt (306)770.2202.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Carleton', with a stylized flourish at the end.

Dustin Carleton
