

DLC Parts Technician 30L

Earn high school credits while learning a trade

Are you a high school student who is detail-oriented and passionate about agriculture?

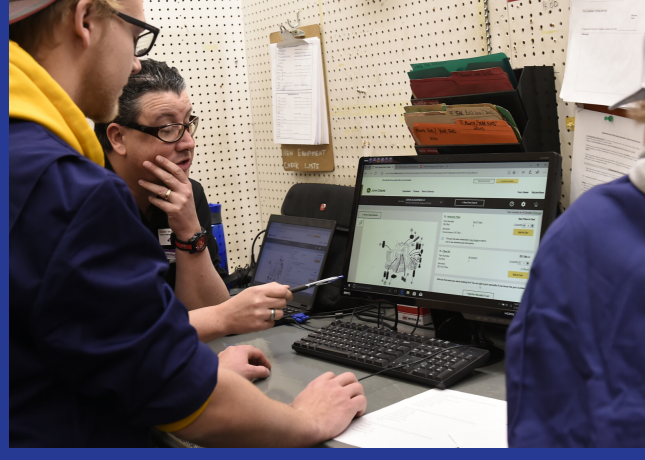

Parts Technician 30 (PT30) might be for you! Parts technicians play a key role in keeping the ag industry up and running - and it is a career in demand!

Course Overview

PT 30 consists of 3 parts: online theory, practical learning at a work placement, and a boot camp at Sask Polytechnic.

Online Course Work and Theory	50 hrs
Work Placement (Ag Dealership)	40 hrs*
Boot Camp (Sask Polytechnic)	10 hrs

** If you can not attend boot camp, you simply complete 50 hrs at your work placement.*

In PT30, you'll learn about sourcing, tracking and managing parts and gain firsthand experience at an ag equipment dealership - all while earning a 30 level high school credit.

What do I need to know about PT 30?

- Available to high school students across Saskatchewan
- Can fit with your current school schedule (Semester 1)
- The DLC's Ag Coordinator will find your work placement at a nearby ag equipment dealership
- **It's FREE**, thanks to the generous support of our partners
- Talk to your guidance counsellor to request PT 30

Work Towards Apprenticeship

PT 30 students can earn more than high school credit by also participating in the Sask Youth Apprenticeship (SYA) Program. This optional, free program helps young people discover the rewards of being a Youth Apprentice and working in the skilled trades

- up to 50 hours towards any apprenticeship certification
- first year tuition and books waived at Sask Polytechnic
- eligible for SYA scholarships of \$1,000
