Arnal Boys Memorial Bursary for Young Farmers Inc.

Supporting Youth in Agriculture

About us

We are a non profit corporation established to carry on a legacy for Blake, Sean and Lyndon Arnal and their love for agriculture. All three boys were creative, smart, innovative, energetic and passionate beyond description for agriculture. They participated in the hog industry, cattle market and grain production. This bursary for youth in agriculture enables their characteristics to carry on in south west Saskatchewan. We have had several fundraisers and generous individuals who have made this dream a reality!

“The objective is to honour the memory of Blake, Sean and Lyndon Arnal and their legacy of helping others, passion for agriculture and hardworking attitude by providing bursaries to individuals between the ages of 8 and 18 to invest in an agricultural business endeavor or further their education in agriculture.”

Applicant Criteria

- Between the ages of 8 and 18
- Priority to students in the Chinook School Division
- Have an agricultural interest or project to invest in

Requirements

- Provide a business plan for the entrepreneurial venture or education including a written description of the business, funds required to start the business, research completed to develop the plan and the overall goal.
- Provide revenue and expense projections.
- Application deadline is March 1 of each year and applications will be accepted throughout the year.
