Re-Open Burstall School Plan Fall 2020

Here is a snapshot of guidelines that include health and safety measures we are taking to ensure that returning to Burstall School is as safe as possible for students and staff.

Cleaning & Sanitizing Protocols

- Frequent and enhanced cleaning and sanitization with increased attention to points of contact, shared equipment, and commonly used areas.
- Disinfectant will also be available for student and staff use.

Distance

- Floor markings and signs will be placed and posted in common areas.
- Staggered entry/exit times to the school for breaks, cohorting (tri-grades) while in class, and alternative learning spaces implemented as appropriate to allow for distancing.
- Mass gatherings will be limited.

Masks

- **RECOMMENDED for all staff and students K-8.**
- **REQUIRED for all visitors, staff, and grades 4-12 students in areas and buses where physical distancing cannot be achieved.**
- Chinook will provide all students and staff with reusable cloth masks.

Hand Hygiene

- Anyone entering the building should sanitize hands upon entry.
- Staff and students will practice frequent hand washing and sanitizing throughout the school day.
- Hand sanitizer will be placed in common areas and classrooms.
- Posters with age-appropriate graphics will be displayed.
- Microwaves and water fountains will not be made available. Our water bottle filling station may be used with extra steps in place to sanitize students' bottles and contact points at the fill station.

Attendance & Illness Policy

- Students and staff must stay home if they are sick (or have COVID 19 like symptoms).
- A designated isolation area will be in operation for students or staff who become sick while at school.
- PPE will be supplied and protocols and requests will be followed in cooperation with SHA.

Transportation

- Our Bus will be cleaned and sanitized between each run.

Learning Delivery & Student Supports

- Four learning delivery options have been made available for parents/Caregivers and students to feel safe and comfortable.
- Appropriate supports will be provided for students with intensive needs.
- *PPE will be supplied and required for staff who may need to work closely with students.

Limit Non-Essential Visits

- Parents/caregivers and other visitors must call the office from outside the building to answer some verbal questions for screening purposes before entering the building for things like but not limited to arranging delivery/pick-ups.
- Visitors permitted to enter must wear a mask and use hand sanitizer upon entry.
- Visitors must sign in and sign out a leave a phone number and or contact information should contract tracing need to occur.
