

Gr. 11/12 Supply List 2022-2023

There will be commonly used/misplaced/forgotten items available for purchase at the canteen. This includes: disposable cutlery, cups, pencils, pens, erasers, batteries, protractors, rulers, whiteboard markers, whiteout, looseleaf, glue sticks, and scissors. Each student will need to bring \$5 cash on the first day of school, which will be used as a tab to purchase these items. Please make sure you have provided all the items on the supply list at the start of the year, as inventory will not be sufficient to supply every student with all necessary materials. Those who still have carry over from last year will be topped up to \$5, and given change. Please be advised that you will not be given a locker until this fee has been paid.

There will be a \$25 user fee for Chromebooks. This will be a non-refundable deposit that will be used to pay for repairs and eventual replacement of the Chromebooks.
