

Coyote Connections

April 2024

And then it was Spring!! The month of March was a transition from the many winter activities into the anticipation of spring. As we move into this warmer weather, we want to keep our students focused on continuing to strive to do their best. I appreciate all of the effort you put in at home to ensure this carries over into their school day, as it greatly impacts their academics. Thank you to all of our students, staff, and families for your participation and continuous support.

March was full of lots of fun activities and events for the students as you can see in this newsletter. I would like to extend a special thanks to Mrs. Menke for organizing our Broncos visit as well as our Scholastic Book Fair which we hope to be able to have following the Easter Break. As well, thanks to Ms. Koudelka for all the organizing of Milk Week.

Thanks once again to the SCC for organizing the Family BINGO night. We had a great turn out and were able to provide the Gravelbourg food bank with a great donation which they in turn used to support the Hodgeville Community with. We at Hodgeville School are so lucky we have such an amazing group of SCC members. We cannot thank you enough for all that you volunteer to do.

We appreciated all the parents/Guardians who came out for parent teacher interviews this month. One of the best parts of being a teacher is being able to share and celebrate our students' achievements with their parents.

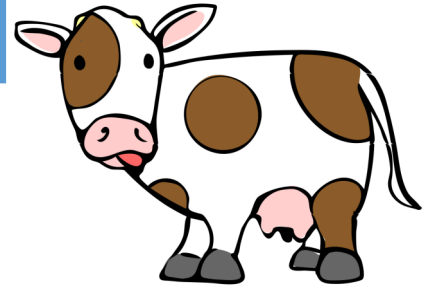

I hope all of you have a great Easter to start off your Spring Break. Hopefully with this warm weather we can all get to spend some needed family time together outdoors!

Candice Fischer
Principal, Hodgeville School

Sask milk

Milk Week

Oreo Cookie Dunking!

Home made Ice Cream!

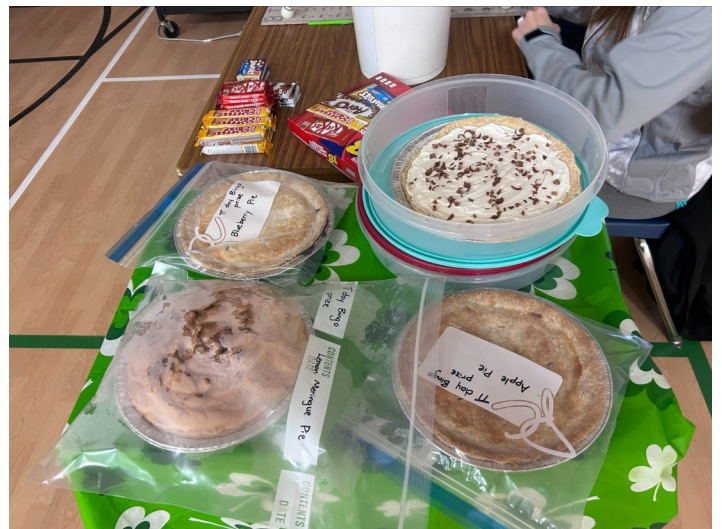

**Rock your Socks
Brain Walk**

Bronco Visit
