# MAY

Spring looks like it has arrived! The weather is becoming more and more warm and inviting. I always enjoy how the change to warmer temperatures naturally change the vibe in the school and the children. It's hard to believe there are less than 9 weeks of school left.

We are all working diligently to make the most of these final two months of school and I want to thank everyone for their ongoing efforts. This final stretch to summer is always a long stretch with May long as our only holiday, however, we will be busy with track and field meets and year end trips, so I am sure it will fly by as quickly as the rest of the school year has.

We are sad to have to say good bye to Ms. Penny as she will no longer be working at our school. Thanks for the time you have spent with us and the work you have done to make our school a great place to be. We would also like to welcome Miss Cassidy Caines to our staff. She will be starting her position with us May 1st! We are excited to have you, Miss Caines.

I would like to wish all the moms a Happy Mother's Day, good luck with seeding to all the farming families, and I hope that everyone finds a bit of joy in the warmer weather and rejuvenation of spring.

We wish our school community a safe, relaxing and enjoyable May long weekend.
