

LEADER COMPOSITE SCHOOL
Mission , Vision and Values

MISSION:

We envision a school where excellence is pursued by students and staff in a supportive, respectful and motivating environment.

VISION:

Leader Composite School is a community of diverse learners committed to:

- *upholding high standards and expectations which challenge each student to reach his or her potential and to become lifelong learners*
- *preparing, in partnership with home, school and community, our students academically, technologically, and socially to live and learn in society.*
- *providing quality instruction through current effective strategies designed to meet the needs of all learners.*

LEADER COMPOSITE SCHOOL
EDUCATIONAL BELIEF STATEMENTS

1. We believe an effective school provides for a safe, caring and respectful environment.
2. We believe an effective classroom is one that meets the educational needs of the individual student.
3. We believe a quality education fosters the desire and ability to question and interpret the world and fosters life long learning.
4. We believe that each child has a right to experience success as the school strives to meet the physical, intellectual, social and emotional needs of students.
5. We believe that collaboration between the school, the family and the community significantly enhances student learning.
6. We believe in using a variety of instructional and assessment strategies to address the needs of our students.
7. We believe that collaboration and communication among professionals is a critical component in providing a quality education to our students.
8. We believe that the education of all students can be enhanced through the appropriate and effective use of instructional technology.
