

ANNOUNCEMENTS

DAY: Wednesday

DATE: April 6, 2016

INTRAMURAL PROGRAM

-

SCHOOL ACTIVITIES

- April is Math Month at Shaunavon High School, and the School Community Council is sponsoring weekly math problems and prizes. Each week Mr. Hall and Mrs. Allemand will provide students with three math problems created from the information provided by the School Community Council members about how they encounter math in their lives and careers. The problems are rated as easy, moderate, and difficult. With each correct answer to a problem, your name will be entered in a draw for prizes.

Starting today, the problems will be posted on Wednesdays at 11:00 a.m. on the bulletin board to the left of *The Daily Fix*. If you want to participate, simply pick up the problems from the bulletin board. Answers will be posted in the same spot a week later. Please submit your answers to either Mr. Hall or Mrs. Allemand no later than 11:00 a.m. the following Wednesday. You will not be able to submit answers for that week after that time.

Prizes will be awarded at the assembly on May 5.

Good luck and Happy Math Month!
