SCHOOL ACTIVITIES

SHS Attendance is at 95% today.

This year at SHS, we will be participating in the White Ribbon Campaign by having all male staff wear a white ribbon to signify men working to end violence against women. The campaign began when men reacted to the murders of fourteen women at Montreal Ecole Polytechnique on December 6, 1989. Canadian men have, since 1991, campaigned for the safety of women. Men and boys of all ages are encouraged to wear a white ribbon as a pledge “never to commit, condone or remain silent about violence against women”
