Engagement and Alignment Plan**

SCC Goals and Action Plan in Support of Stewart Valley School’s Learning Goals / A3s

IMPLEMENTATION PLAN	Actions and Activities	Start Date	Completion Date	Community Partnerships and Parent Involvement	Assessment/Measures	
<p>School Hoshin/A3</p> <p>Chinook Learning Priorities for 2020-2021: Health, Safety, Wellness.</p> <p>On March 20, 2020, the Government of Saskatchewan announced that all classes in Saskatchewan PreK-Grade 12 schools would be suspended indefinitely, due to the ongoing COVID-19 pandemic. Students were offered supplemental learning until the end of June 2020. In September 2020 students returned to school. The school experience, however, is very different from years past due to the restrictions and guidelines in place to keep students and staff safe. Extra-curricular and whole school activities have been reduced or removed altogether. There are also unique challenges for students and teachers, affecting the teaching and learning within classrooms. For the 2020-2021 school year Stewart Valley’s SCC is focused on supporting the learning and wellness of students. Our aim is to help provide the school with resources and opportunities that will enhance learning and bring excitement back to school!</p>	<p>Commitments:</p> <p>- Learning Resources: Purchase various resources for teachers/students to use within the classroom (or at home in the event that schools temporarily close). These may include subscription fees for online programs that are above and beyond what is covered by the Division. Only learning resources that enhance the curriculum and align with current COVID-19 restrictions/protocols will be considered.</p> <p>-Phys. Ed. Equipment: Purchase equipment that can be used to enhance the PE program during the COVID-19 pandemic. Equipment that can be used individually and/or outdoors in preferred.</p>	-September	-June	<p>-The SCC will connect with the school to see what learning resources might be useful.</p> <p>-The SCC will pay for the subscription fees for some online programs such as Mathletics and Raz Kids Plus.</p>	<p>Activities</p> <p>-Purchase Mathletics/Raz Kids/other learning resources (TBD)</p>	<p>Metrics</p> <p>-Students will use and learn from the resources that are purchased by the SCC.</p>
			-September	-June	<p>-The SCC will connect with the school to see what Phys. Ed. resources might be useful.</p> <p>-The following pieces of equipment have been considered for purchase by the SCC:</p> <ul style="list-style-type: none"> • 10 broomball sticks so there is a full class set • Metal, permanent disk golf nets to be cemented in the school grounds • Snow saws and molds for building snow forts • Pickle ball paddles to use at the community court 	<p>-Purchase Phys. Ed. equipment</p>

LEARNING FOR ALL
A great place to go to school and go to work!

**Adjusted annually to reflect and align with the Division and School Plans.*

COMMUNICATIONS PLAN REQUIREMENTS

Monitoring/reflection: SCCs are to report to the school community about their engagement and alignment plan and it's level of success.

- Sharing with school community (ex. newsletter, website, open house, social media)
- Reporting to school community at the SCC AGM
