

Stewart Valley School

It is wonderful to see all students enjoying the fresh air by going outside. Also students kept themselves busy with Badminton, Rocket Club, Chess Club, Easter Egg decorating, and the Spelling Bee. No wonder the moth of April just flew by!

Thank-you to those who helped with the egg decorating. The extra hands help to keep everyone safe and allows for a relaxing memorable afternoon!

The Family Fun night will be Friday May 3rd beginning at 6:00. Please join us for an evening filled with fun.

Thursday May 9th from 9 am to 11 am, we will welcome seven new Kindergarten students for orientation. **Deacon Howe, Aiden Knudson, Steyn Le Roux, Reyna Moen, Grace Parkinson, Paisley Perrin, and Hayden Todd.**

The May Noon Lunch will be on the 24th. Since this is the day of the oratory and many parents like to attend, we are extending our noon lunch invitation to parents as well. It's easy to order - just complete a google form in your name. Please make a separate order for yourself and one for each student.

We will hold the Tri-School Track meet on June 7th. In order to host this event, we will need the assistance from as many parents/volunteers as possible.

As things get busy and parents/family members attend school activities, please remember to notify your bus driver when students will not be riding the bus. An **empty** bus that does not run saves money on fuel and helps our environment.

Here is what we have posted on our May calendar of events:
