

Stewart Valley School

MARCH 2020

Along with the February Break we were also able to fit in the Room 3 Ski Trip, Books and Breakfast, Music Day, Curling, Steam Club, Cooking Club, and Chess Club. Wow what a busy month!

Both the boys and girls curling teams showed remarkable improvements from the beginning of the curling season. Congratulations to the girls team for advancing to the district finals in East End. All students did a tremendous job focusing on the February's Virtue - Generosity.

The SCC organized the Books and Breakfast morning. Thank-you to all those that were able to participate and help out. What a great way to celebrate Valentines Day!

Here is what's happening in March:

- March 2: SCC Meeting
- March 3: STEAM Club - Lunch time
Wrestling 3:15 - 4:30 pm
- March 6: Chess Club - Lunch time

From the Principal's Desk

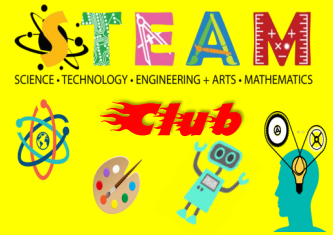

It appears that March is going to come in like a lamb, let's hope we don't see the lion too often. There really has been a lot of nice weather this winter, and as spring approaches we know that we are going to have wide temperature swings throughout the day. Often the mornings will require winter boots and parkas and the afternoons will need bunny hugs and rubber boots. Students will come home dryer and happier if they bring spring weather options with them for the afternoons.

February was another exciting month at Stewart Valley School with our students showing their exemplary abilities in academics, athletics, and enthusiasm. Congratulations to our students whose poetry was chosen to be published in the Young Writers Poetry contest, their successes in the Scholastic Achievement League contest, our curling teams for their very successful play at the sectional and district championships, and for the way our students have embraced their preparations for the Science Fair and the dessert theatre presentation of "Game of Myths".

Along with the Science Fair and Game of Myths, March will bring us the opportunity of sharing student learning at the Parent-Teacher interviews to be held on the 25th and 26th. Information will be coming out soon regarding the scheduling of those interviews.

Finally, I would like to thank our School Community Council for organizing and carrying out the Books and Breakfast celebration on Valentine's day. It was fantastic to see so many family members at the school and we sure do appreciate your support of our school and student learning.
